When talking about where to be raised there are a lot of factors to take into consideration. One of the most important is the money. If you have a lot of money growth can be awesome in every place. I know some people in these conditions for both cases and in both scenarios I imagine myself growing there as something totally awesome.

Growing in the city has the counterpart of the pollution in the air. Here in Guadalajara most of the areas get affected continuously by forestal fires.

However, rising in a city as big as Guadalajara has some other advantages. Everything is closer in comparison with the distances in the rural areas, this includes things like schools, markets, pharmacies and restaurants, therefore, implying a bigger gas expense.
